

When you click on “more info on the Online Open Houses”, you come here:

The goal of the Online Open House is to offer those of you that cannot attend the Workshop in person, a full review of the work accomplished and the opportunity to voice your comments and have them incorporated into the Workshop minutes.

Here's what you need to do:

1. Before the Online Open House begins 7pm, March 10 and March 11, 2009, open the appropriate powerpoint file:

March 10 Workshop powerpoint

March 11 Workshop powerpoint.

2. At 7pm:

a) Dial in to our toll-free conference call line: 866 703 2104. At the prompt, dial the participant code: 567652 followed by the “#” symbol. You will be connected to National Park Service staff and other Online Open House participants.

b) We will review the results of the Workshop. Then you will have the opportunity to ask questions, give suggestions, or make comments.
